

Tanning Studio & Limited Edition Range Launch

On a cold night in Sydney there was a touch of the tropics as we launched our first ever tanning studio and gorgeous limited addition to their current, critically acclaimed skincare range.

Bessie Bardot (Best Selling Author, Radio and TV Personality) hosted the evening's proceedings on Sunday 20th May at Body Shape Gordon - home of the new Pink Hibiscus Tanning Studio. The room was decked out as a tropical oasis and the guests chilled to loungey beats while they savoured the wine provided by 'Catching Thieves'.

Celebrities in attendance included, **Caroline Pemberton (Miss World Australia 2007)**, **Bessie Bardot (Best Selling Author, Radio and TV Personality)**, **Tiffany Preece ('Home and Away')**, **Vic Lorusso (traffic journalist for ARN and Network Ten news)**, **Geoff Barker (Best Selling Author, TV and Radio Personality)**, **Tim Brunero (runner up 'Big Brother' 2005)** and **Suzie Q (winner of 'Erotic Star' on Arena TV)**.

Hula girls were in abundance with testers of the delectable Pink Hibiscus Tropical Mango Hand and Body Soufflés and everyone left smelling like a splash of summer.
