### Terms and Conditions

In order for a pamper party to be enjoyable for everyone and run smoothly on the day, we have learned that there are a few simple steps to follow:

1. It is essential that all treatments be booked in at least one week before the date of the party. This allows Mobile Beauty Treatments to quote appropriately and to arrange for enough staff to attend on the day and ensure an efficient and relaxed atmosphere.
2. Payment is to be collected from all members of the group by one designated person and that person is responsible for payment in full to Mobile Beauty Treatments by cash or direct debit once the service has been provided.
3. Please be aware that we may have another booking after your session, therefore, we ask that each individual is ready for his or her treatment on time and we will endeavour to do the same. Should one of our consultants be behind schedule a phone call will be made. Pamper party guests that are not available on time for their appointment risk missing out on their treatment at full cost.
4. All treatment equipment is supplied by Mobile Beauty Treatments. Please allow 15 minutes set up and pack down time. Thank you.
